2025.12.31. (ver.2)

We are excited to announce the 8<sup>th</sup> International Chamber Music Festival 2026 in Tokyo, Japan for chamber music lovers.

### OVERVIEW OF THE “\*APA’ INTERNATIONAL CHAMBER MUSIC FESTIVAL

APA International Chamber Music Festival 2026 (ICMF2026) provides a venue in which both overseas and Japanese amateur players can participate in cultural exchange through music. Players from overseas will visit Japan for the festival to enjoy performing with Japanese players. It is the basic principle that international visitors and Japanese players perform the various works together (in mixed groups). Please note that rehearsal time will be limited and is described in the section “Notes” below.

\*APA is abbreviation of “Japan Amateur Players Association.”

### DATES AND VENUES

**1<sup>st</sup> Concert: Saturday, March 28, 2026, at Musashino Swing Hall, Musashisakai, Tokyo**

<https://musashino-swing.jp/facility/>

**2<sup>nd</sup> Concert: Sunday, April 5, 2026, at Musashino Shimin Bunka Kaikan (Civic Cultural Hall) Small Hall, Musashino, Tokyo** <https://www.musashino.or.jp/bunka/1002094/1002100.html>

The first concert will take place at **Musashino Swing Hall** (Located in front of Musashisakai station, JR Chuo Line). \*The piano at the Swing Hall is Fazioli F278. There are 180 seats

The second concert will take place at **Musashino Shimin Bunka Kaikan (Musashino Civic Cultural Hall] Small Hall)** (Nakamachi, Musashino-city, Tokyo, is located 20 minutes train-ride from central Tokyo area).

\*The pianos at the Civic Cultural Hall in Small Hall are Steinway D-274 and Steinway C-227/ 425 seats in Small Hall (Note:1,252 in the Big Hall). We have reserved and will use Small Hall.

\*This hall is very popular among overseas famous professional chamber music groups – such as I Musici, Mozart house Vienna String Quartet, Vision Quartet, Janacek Quartet, Casal Quartet, David Oistrakh Quartet, Stuttgarter Kammerorchestra, etc, and more.

The participants can participate in both concerts, or select one depending on their schedule.

Overseas participants are advised to arrive in Japan one week before the concert. We will have rehearsals (4 hours x 2 times x 2 concerts if you attend both concerts) in 2 weeks! We plan the welcome reception on Saturday, March 21<sup>st</sup> or Sunday, March 22<sup>nd</sup>.

\*Note: everyone will pay their own fee.

### WHO CAN PARTICIPATE?

Any chamber music players, amateurs or pros are welcome. In the 7th ICMF2025, there were 13

overseas participants from the US, UK, Germany, the Netherlands, US (Canada) and Portugal, as well as Japanese APA members. In the 4<sup>th</sup> ICMF2023 before COVID Pandemic, there were 17 overseas participants. Many previous participants have enjoyed visiting the Tokyo Metropolitan area as well as the western part of Japan such as Kyoto, Hiroshima, Kyushu, or the north part of Japan before or after the concerts.

### \*\*\*NOTES\*\*\*

#### **Concerts**

Two free concerts are scheduled in Tokyo area in 2026.

\*Note to the previous participants: We will not plan to have concerts outside of Tokyo this time such as in Atami, Hakone, nor Oshima island.

\*The same repositories may be played at concert 1 and 2 or play another piece with another group.

\*There is no admission fee for the audience as APA is an NPO (Nonprofit Organization).

#### **Rehearsals**

Rehearsals are scheduled only *twice* for each concert (3-4 hours each). Also, there will be a dress/stage rehearsal from 9:00 in the morning of each concert. Both concerts will start around 13:00.

#### **Ensemble Assignments**

Each chamber music ensemble (Trio, Quartet, Quintet, Septet, etc., but no Solo or Duo, please!) will consist of a cross section of overseas and Japanese participants. Each ensemble should practice before meeting your Japanese or overseas players. Therefore, we suggest that you practice your part with your own ensemble in your home country before the festival in Tokyo as rehearsal time in Japan will be very limited. It is recommended that you may request pieces which you have already played in your country.

#### **What to play**

Each overseas participant can propose the music that they wish to play. The organizer will find Japanese players who are able to ensemble the particular piece with the person who requested. The final decision, however, will be made by the organizer depending on the number of participants (both overseas and Japanese players) and the type of instruments they play.

#### **Where to stay**

We will help you arrange hotels upon request. We can check hotels near the venue or station.

Both concerts will be held in Musashino-city (outside of the central part of Tokyo), so it might be easier if you find the hotel in Musashino city. Kichijoji is one of the convenient towns as both the Chuo Line and Keio Inokashira Line (trains) come in and out.

\*Accommodation (hotels, food, transportation fees, insurance, etc.) will be arranged by each participant.
